## REGISTRAR REPORT 2016

This year we had 65 team up by 4 teams from last season.

37 mini teams u/6 to u/11

19 junior teams u/12 to u/18

9 senior teams AA TO O/45S

We had 745 players 148 female

591 males

6 girls teams

2 aal teams

We had an increase of members of about 50 players .

We had 140 registered coaches and managers.

All players were financial no defaults .

There was a major hiccup with players cards as macarthur has wiped them all so to get 745 players photos plus 140 coaches and managers was a task .

Some photos were not acceptable so I would like to ask people to go on line and up load a new photo clear head shot only to my football club .

This will help immensely for registrations next year .
