

## Harrington United Football Club – Season 2015 – Junior Vice Presidents report

Small Sided Games (SSG) teams this season consisted of some 298 players (47 female, 251 male) in 36 teams across 6 age groups with 36 Coaches and 24 Managers ensuring the children were trained and ready to play each week.

Season 2015 saw the introduction of an all-girls team in the SSG competition. Under 10 Blue carried the honour of being the first team dedicated to developing an all-girls playing group that will hopefully continue to play together as Under 11's in season 2016, creating a head start for them when moving to full field games in the U12 Girls competition.

The introduction of an external training provider, T3 Australia, generated a keen level of interest and provided many young players with the opportunity to receive instruction and encouragement from knowledgeable & skilled trainers.

During the season the Club was represented at exhibition matches hosted by MFA with some lucky players getting to be involved.

Overall behaviour was of a very high nature with only a couple of complaints received for parent/team behaviour.

Gala days were held at the end of the season for all 6 age groups with players receiving a MFA medal. Our U10 Yellow team played very well making it all the way through to the semi-finals.

Thank you to all players, parents, coaches, managers and fellow committee members for your support during the season.

Chris Wright

Junior Vice President

Harrington United Football Club
